

# LAMINEX® AQUAPANEL®

Laminex®  
Inspire your space

Laminex® Aquapanel® is easy to work with and you can create a simple backdrop or make a statement with a minimum of fuss. It's the ideal home renovator's wall surfacing material. Economical and durable, Laminex Aquapanel exceeds all the requirements for wet area wall surfaces including shower recesses and laundry walls. Non-porous and grout free, Laminex Aquapanel is also easy to clean with general cleaning regimes in both domestic and commercial environments. Laminex Aquapanel is available in a large selection of contemporary colours and finishes with colour coordinated fixing systems and silicones. As you'd expect, Laminex Aquapanel is covered by the Laminex 7 year limited warranty\* so your creation will be a lasting one. For installation instructions and technical information, refer to the installation guide and DVD. For a free copy, call 1800 002 204 or visit [laminex.com.au](http://laminex.com.au).

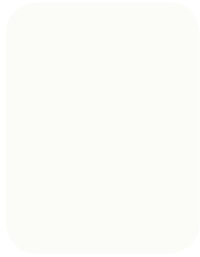

## EASY DIY INSTALLATION ■ GROUT FREE ■ CONTEMPORARY COLOURS AND FINISHES

Tile and Ripple samples shown at 50% of actual size. See actual samples for accurate scale. Square tile pattern dimensions are 23mm x 23mm. Ripple pattern occurs every 9mm.

#Exclusive to Laminex Aquapanel range.

## FIXING SYSTEMS

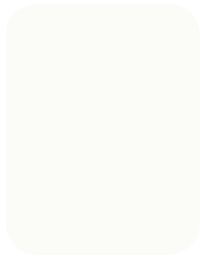

Five fixing system profiles have been developed to stylishly integrate joins and minimise areas where mould and grime could gather. Each profile is available in a selection of colours so you'll find the perfect match for your choice of Aquapanel surface. Please refer to the legend on the left for recommended combinations.

Laminex Aquapanel is marketed, distributed and manufactured by The Laminex Group, a division of Laminex Group Pty Limited ABN 98 004 093 092. The colours of the products featured within the imagery in this brochure are as close to the Laminex Aquapanel range as photographic lighting and modern printing processes allow. The Laminex Aquapanel range is no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Laminex Aquapanel should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface. Please obtain a copy of the terms and conditions of the Laminex Aquapanel 7 year limited warranty from The Laminex Group or visit [laminex.com.au](http://laminex.com.au). This warranty is in addition to any rights that may exist under the Trade Practices Act. Laminex,<sup>®</sup> Aquapanel<sup>®</sup>
