Laminex 180fx is marketed, distributed and manufactured by The Laminex Group, a division of Laminex Group Pty Limited ABN 98 004 093 092. The colours of the products featured within the imagery in this brochure are as close to the Laminex 180fx range as photographic lighting and modern printing processes allow. The Laminex 180fx range is no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Laminex 180fx should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface. Please obtain a copy of the terms and conditions of the Laminex 180fx 7 year limited warranty from The Laminex Group or visit laminex.com.au. This warranty is in addition to any rights that may exist under the Competition and Consumer Act 2010 (Cth). Laminex[®], 180fx[™], DiamondGloss[®]
