

Mitchell Stone Price Guide

How much is a stone bench top?

If you are considering the purchase of a engineered stone vs laminate bench top, it is important to first understand what you might expect to pay. The below diagram illustrates a typical bench top layout and an approximate price guide for both a laminate and stone bench top. Please note these prices are a guide only, results will vary based on the type, brand and colour of materials chosen.

Typical stone bench top particulars:
1 x Cut out for top mount hot plate
1 x Cut out for top mount sink
4 x visible edges as indicated

*As a rough guide only a stone bench top can be 4 times the price of a similar sized laminated top. Prices exclude gst.

What do I do now?

If you would like a quote for a stone bench top, please fill out the form on the back of this flyer and fax it to 9558 0557. To give an accurate quote, please provide the following details. Alternatively if you would like a quote for a laminate bench top, please fill out our standard Mitchells' postform bench top order form which can be downloaded from www.mitchellgroup.com.au;

- Your contact details including a reference name and number
- Detailed drawing of the top with accurate measurements, please mark any visible edges with a cross (as per above)
- Details of cut-outs for hot plates and or sinks. Please note whether these are top or under mount items.
- Thickness of top required i.e. 20mm or 40mm
- Stone brand and colour
