

PERS

Perspex® Cast Acrylic Sheet Secret Sign

Available in a range of thickness options

Perspex® Secret Sign is a specially developed signage sheet which looks black in daylight and white, red, green or blue when illuminated at night.

Perspex® Secret Sign is ideal for use in self-contained units for “secret sign” constructions whose purpose is to display a message only when illuminated. Used in banks, shops, airports and car-parks, with Perspex® Secret Sign you can create eye-catching signs – either to advertise a brand name with six foot high letters changing colour at night, or to display a clear instruction at the flick of a switch.

Thanks to its excellent and guaranteed weather performance and durability, Perspex® Secret Sign is ideal for both indoor and outdoor signage, day and night!

Standard in 3mm

Made to order
