Perspex® Cast Acrylic Sheet Sparkle

Available in a range of thickness colours

Perspex® Sparkle – six dusky colours enhanced by thousands of shimmering, iridescent particles that gleam and shine like the surface of the celestial vault, a subtleness that is gradually brought to light. Deep and radiant, the opaque colours of the range come together to form a harmonious collection : Scintillating Red, Flamboyant Brown, Captivating Green, Glittering Blue, Gleaming Violet and Shimmering Black.

Ideal for use in a range of applications including signs, signage, POS material, display units, interior fittings and furnishings, Perspex® Sparkle offers a wide range of opportunities for unusual interior and exterior applications.
