PAINTED DOORS

Laminex®
Inspire your space

Above: Cupboard doors in Laminex ColourTech Peacock Gloss. Other cupboards and shelving in Laminex Tanganyika.

Laminex® ColourTech® painted doors, one of our many door ranges, are coated in a technologically advanced 2 Pac polyurethane paint for a stunning easy clean finish and extraordinary moisture resistance. The range features a variety of designs to suit every taste, with a choice of gloss, satin or textured finishes. There are a large number of decors on offer from the Laminex Colour Palette, making it easy for you to create perfectly coordinated colour schemes. There are also several door profiles available, ranging from elegant simplicity to rich colonial character, with matching frame and edging options. For your peace of mind, all 18mm MR MDF core doors are backed by our 10 year limited warranty.* ColourTech painted doors are the perfect way to create your own premium, yet low maintenance look.

3 PAINT FINISHES ■ 15 DOOR PROFILES ■ 74 COLOURS ■ SUPERIOR 2 PAC POLYURETHANE

Laminex ColourTech painted doors are marketed and distributed by The Laminex Group, a division of Laminex Group Pty Limited ABN 98 004 093 092. The colours of the products featured within the imagery in this brochure are as close to the Laminex ColourTech painted doors range as photographic lighting and modern printing processes allow. The Laminex ColourTech painted doors range is no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Laminex ColourTech painted doors should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface. Please obtain a copy of the terms and conditions of the Laminex ColourTech painted doors 10 year limited warranty from The Laminex Group or visit laminex.com.au. This warranty is in addition to any rights that may exist under the Trade Practices Act. Laminex®, ColourTech®
