

# LAMINEX® METALINE®

## SPLASHBACKS & PANELS

Laminex®  
Inspire your space

Splashback in Laminex Metaline Black Ice. Benchtop in Laminex Alfresco Compact Laminare Manganese and doors in Laminex Alfresco Compact Laminare Sentry.  
Accessories: Planaro sink and Cubex mixer by Franke.

Laminex® Metaline® splashbacks and panels offer even more inspiration. This advanced aluminium based system is the smart alternative to glass, and is available in a range of contemporary colours in a spectacular high gloss finish. Featuring a sleek, continuous look with minimal join lines, Metaline splashbacks and panels offer inherent flexibility, which makes them adaptable to fit any location and will enhance the appeal of any space. A unique flame retardant system has been independently certified by SAI Global as suitable for use behind both gas and electric cooktops. When correctly installed by an authorised installer, Metaline is compliant with the Building Code of Australia (BCA) and AS/NZS 5601:2010 Gas Installation Code. It can be easily fitted to accommodate power points, fixtures and taps. As easy to clean as they are to install, these panels are ideal for a wide range of applications including wall linings, lifts, columns, shop fit-outs, bathrooms and shower recesses. And with superior stain, mould, and heat resistance, their outstanding durability is guaranteed by a seven year limited warranty. With such enduring beauty, Laminex Metaline splashbacks and panels are the smarter choice.

## CONTEMPORARY DECORS ■ HIGHLY DURABLE ■ SMARTER ALTERNATIVE TO REAL GLASS

Laminex is marketed and distributed by Laminex Group Pty Limited ABN 98 004 093 092, trading as Laminex. The colours and finishes of the products featured within the imagery in this brochure are as close to the Laminex range as photographic lighting and our printing processes allow. Different camera angles, although not designed to be misleading, can sometimes distort actual size and distances. Laminex products are no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Laminex products should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface. Please obtain a copy of the terms and conditions of the applicable warranties from [laminex.com.au](http://laminex.com.au). All warranties are in addition to any rights that may exist under the Australian Consumer Law.
