Mounting Instructions for
ECHOSPEX™ Wall S
ECHOSPEX™ Wall L
ECHOSPEX™ Free Stand
ECHOSPEX™ Slide-On

Step 1
Remove from box

Place panel front face down so back of panel
is visible. Note if you have purchased option
with PERSPEX®, this will be the none PERSPEX® face.

Step 2
Place drilling pattern over panel and
fix mounting brackets using a screw driver
(Note no pre-drilling is required)

Echospex Wall S / 598 x 598mm / Drilling Pattern
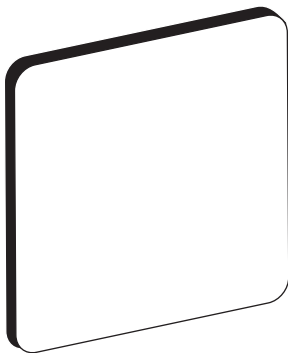

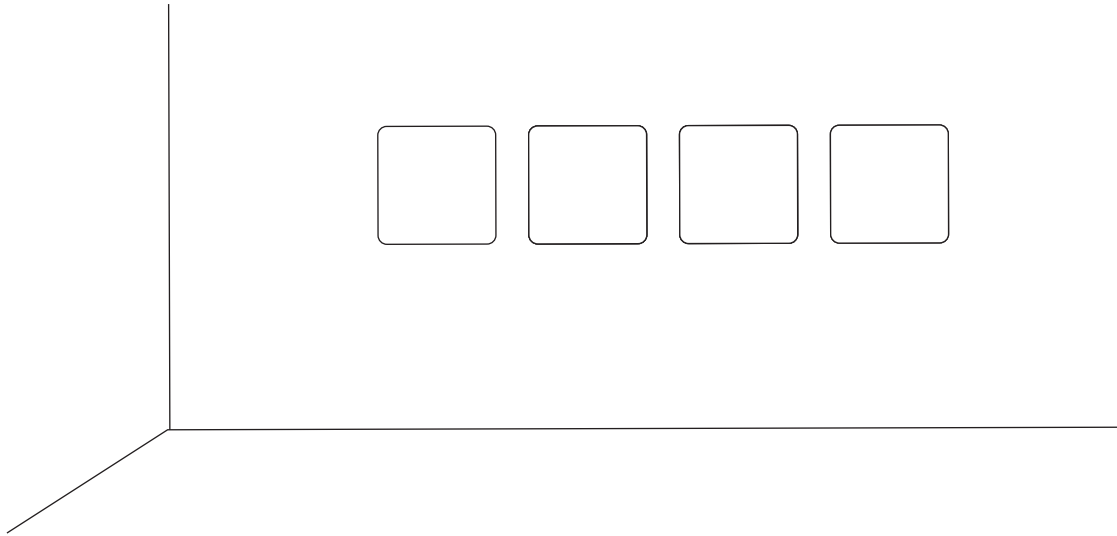

Step 3
Fit mounting bracket to wall and hang

Carefully remove masking from PERSPEX®
(optional when pruchased)
